Steelite™ 2 Cubic Yard Container

Measurements reflect maximum dimensions.

Available Colors

The Steelite™ container and steel frame are available in 5 standard colors.

Colors as shown in this document may differ slightly from the actual product.

Features

- Fully stackable to 3 high
- Six points of attachment allow container to be easily removed from steel frame for cleaning, repair or replacement

- 4" caster plates prevent puncturing in container bottom and have single-bolt release
- Standard 6" casters, 8" casters available

- Optional decal plate fits under lip of container with no protruding metal; place company logo or message here.

Standard decal plate size is 22" x 27" as shown. Other sizes available upon request.

- The bottom and sides of the container are corrugated for extra strength

- The lid opens 270° against the back of the container

Container Specifications

MODEL	HEIGHT	WIDTH	DEPTH	LOAD RATING*
